**DEFENDER SERIES RACK HI-LIFT
JACK MOUNT INSTRUCTIONS
PART # D-7031**

NOTICE TO DEALER / CONSUMER

WARNING: VEHICLES MODIFIED FOR OFF-ROAD USE MAY ROLL OVER

Modifications made to your vehicle suspension and/or tires whether for appearance or off-road use, may raise the center of gravity and change handling characteristics of the vehicle.

Although vehicles modified for off-road use may be equipped to handle the off-road environment, they are generally not designed to improve cornering and maneuverability on the highway, therefore, it is imperative that you familiarize yourself, and all operators of the vehicle, with the special driving characteristics of your modified off-road vehicle. If at all possible, avoid sharp turns, or abrupt maneuvers. If you fail to operate your modified vehicle in a safe and conservative manner, you, your passengers, or third parties may suffer property damage, serious injury, or even death if control is lost and the vehicle overturns.

Always wear your seat belt and shoulder harness. Insist that your passengers do so. Seat belts not only help to protect occupants from injury, but also keep the driver behind the wheel and in control when operating in rough terrain.

Off Road Unlimited makes no warranties or representations regarding lifting devices, whether expressed or implied. Off Road Unlimited is not responsible for any altered product, improper installation, or improper use of products we sell. We will be happy to answer any questions you have concerning the design, function, and correct use of the products sold by us. Please call us with your questions and ask for our technical advisor.

Although ORU makes every effort to ensure the fit of our products, many times changes by the vehicle manufacturer may affect their compatibility. We suggest always "test-fitting" a product prior to actual installation.

ORU reserves the right to make changes in product design, description, application, and/or color with or without prior notice. Although every effort has been made to ensure the accuracy of the catalog, ORU assumes no responsibility for any printing errors that may have occurred.

The user is ultimately responsible for compliance with any individual state laws that may apply to their vehicle's modification. The vehicle's factory warranty may be affected by the installation of aftermarket parts. Check with your local dealer to prior to installation. The purchase of this product constitutes an acknowledgement and understanding of this disclaimer.

*If this product is purchased by other than the end user, it is the responsibility of the purchaser to transfer this notice to the end user.

WARRANTY POLICY

ORU (Off Road Unlimited), extends a lifetime warranty on their products to the original purchaser. The warranty covers defects in material and workmanship. This warranty does not apply to wear items such as brakes, steering components, u-joints, etc., or to products sold by, but not manufactured by ORU. Application of this warranty is subject to inspection of the product by ORU and at their sole discretion. ORU is not responsible for shipping charges incurred to submit product for inspection, or its return if the warranty is declined. This warranty does not cover parts that have been modified, applied outside of the intended application, or subjected to abuse. This warranty applies solely to the ORU product and does not extend to any incidental damage(s) or incurred cost(s). No other warranties/guarantees are expressed or implied. All warranty claims must be accompanied by the original receipt, or reasonable facsimile. To apply for warranty consideration, contact the ORU customer service department at 818-563-1208.
